

Coordinating Your Appointment

To provide a better experience for our Clients, please call us from your car when you arrive. This will allow us to make sure your groomer or your dog is ready for you.

Dog drop off will be outside under **1** **2** or **3** in the window. Please call from your car on arrival, and we'll tell you the number to meet their groomer. It is very important to arrive on time, as we have a limited drop off area.

Your groomer will greet you, and you can tell her your preferences. Then your dog(s) will be taken into the Salon. You will leave and return at the provided pickup time given by the groomer.

When you return, call us and we will update you on your dog(s) status. When your dog(s) ready, we will ask you to come in to Pay. We would like to limit the amount of Clients in the store. Please use the **Wait Spot** when both Receptionists are busy.

After paying, you will be given a pickup spot outside where your dog(s) will be brought, and you can speak with your groomer.
